1300 TC OPS

- Coordination + Communication

Public briefing that will dictate response
1500hrs full briefing. could attend as a panelist

Context

- Planned for a sprint Friday / Saturday / Sunday
~~Planned for a sprint~~

Knew sustainability beyond Sunday

- Negotiated. pushed it up bit hard everyday
Tried hard get close. as sun set seems changed
3 day domain, multi day / week / month
financial resources are there

- Public order cannot figure a way to respond
* 1000 incident in the last few days deescalating
incidents. really close several times could have
escalated

- 1 arrest no change. handful of investigations
close incidents

① - go going sisters / law enforcement. hand of the folks
Public order management continues

② Planning for a long term

③ Police intervention to arrest, incapacitate
Black people to come in risk are massive

④ seek an injunction through court order
Back to 3.

Increase community / coordination

Pre meet SBE

- Assistance from ALP/inter
- Role of the RCMP. should play a larger role
- OPS. + OPP engagement

- Scenario around Enforcement
Role OPS, OPP + RCMP.

OPP offered his legal expert watched ILLERWASH
Hearing that the OPS is meeting for Political reasons
Cap PCT, no incidents considered, offered
OPP. PCT - sees opportunity to Bridge the gaps
Public order team.

OPP, Sutherland, Durham York

PCT Wednesday enforcement

OPP outnumbered OTTAWA 2 to 1 as of yesterday
Still the same

No pressure from the Prov. Good discussion with the Prov

Monday reasons and refresh. PCT engagement
↳ degrading assessment of the situation.

Need to know the early drop for enforcement not reason
why they can't be doing Bto size
legally.

City requesting to Premier

typically - Chief would write to OPP - (if it gets behind)
Road could suspend. make a request for OPP
↳ Premier
